

Title I Parent and Family Engagement Policy West Jordan Elementary 2020-2021

In accordance with Federal Law [20 U.S.C. 6318(b), (c), (e),], West Jordan Elementary has developed and distributed this parental involvement policy:

West Jordan Elementary will provide annual information to inform all parents of the school's participation in Title I and about their right to be involved.

- Information will be provided that describes the Title I program and the services. This will be distributed to all students in paper form, on the school website, and in a binder located in the main office. A video will be created that can be posted on our website and Facebook page.
- Virtual question and answer sessions will be scheduled at various times to accommodate different family schedules.

A Title I Leadership Team will be established that includes parents, PTA and school community council members, teachers, specialists, and the principal.

- The Leadership team will meet each year to review, revise, and discuss the program of this policy and the Title I Plan.
- Ongoing review of the plan will take place during School Community Council and PTA meetings throughout the school year.
- Our school will survey parents on programming, communication preferences, and ways they would like to partner with the school. The school will then take the results and assist in educating teachers, specialized instructional support personnel, the school principal, and other staff on the value and utility of parent contribution in addition to guiding how to best reach out, communicate, and work with our parents as equal partners.

Parents will be informed of curriculum programs, academic assessments, and expected grade-level learning scales in the following ways:

- Teacher disclosure statements will be sent home during the first week of the school year.
- Report cards and Parent/Teacher Conferences will be provided at least twice per school year.
- School newsletters and/or flyers will be sent home on the first day of each week as needed.

Parents will receive materials and training on how to best work with their students to improve their achievement in the following ways:

- Family opportunities will be provided with tips for parents to use at home.
- Educational links on our school website for parents to access at any time.

West Jordan Elementary will provide critical written home communication in Spanish and English, to the extent possible. We will also provide Spanish interpreting services, to the extent feasible.

Title I Parent and Family Engagement Policy
2020-2021

The following members viewed and approved the 2020-2021 Parent and Family Engagement Policy on _____. This policy will be distributed to all parents, displayed on the website and included in the Title I folder in the front office.
