FEE SCHEDULE AND FEE WAIVER GUIDELINES

Jordan School District's 2022-23 Fee Schedule and Fee Waiver Guidelines are provided for your information. The fees are established annually by the Jordan School District Board of Education in accordance with the rules and regulations set forth by the Utah State Legislature and the Utah State Board of Education.

School principals have been designated as the administrators of the school fees and fee waivers. Consequently, you should direct questions regarding fees or fee waivers to your principal.

Fees, as identified by the Jordan District Board of Education, will be waived in accordance with the Utah State Board of Education standards for students whose parents or legal guardians verify evidence of inability to pay. Inability to pay is defined as those who are in state custody, foster care, or receiving public assistance in the form of Aid for Dependent Children, Supplemental Security Income, or are eligible according to Income Eligibility Guidelines July 1, 2021 to June 30, 2022; and, that case-by-case determinations are made for those who do not qualify under one of the foregoing standards, but who, because of extenuating circumstances such as, but not limited to, exceptional financial burdens such as loss of substantial reduction of income or extraordinary medical expenses, are not reasonably capable of paying the fee. (The receipt of unemployment compensation and/or reduced-price school lunch does not constitute public assistance as defined above.)

State law requires a school district to provide alternatives in lieu of fee waivers (except for textbooks), "to the fullest extent reasonably possible according to individual circumstances of both fee waiver applicant and school," consistent with local board policies and/or guidelines. Your student will have several options from which to choose in completing the community service requirement. Those options include:

- Community service at the school, such as tutorial assistance to other students, or service outside of regular school hours as a student aide to school staff;
- Community service in community; or
- When special needs require, community service in the home.

Students may not provide community service to their own employers, nor may they fulfill a community service requirement by working for a commercial establishment other than a facility such as a nursing home or hospital where volunteer services are commonly provided.

If a request of a fee waiver is denied, the student or parent may appeal the decision to the Jordan School District Administration. If the administration upholds the decision to deny the fee waiver, the student or parent may appeal to the Jordan School District Board of Education.

Current Fee Schedule

Jordan School District, in coordination with schools, recommends fees to the Board of Education for authorization in order to run programs and activities for students. The school district sets certain fees in order to maintain a level of consistency and equity across the district. However, other fees can vary depending on school need. Individual school fees may be viewed by clicking the links below.

School Fees Notice for Families of Students in Grades K-6

The Utah Constitution prohibits the charging of fees in elementary schools.

If a child is in kindergarten through grade six, they cannot be charged for textbooks, classroom equipment or supplies, musical instruments, field trips, assemblies, snacks (other than food provided through the School Lunch Program), or for anything else that takes place or is used during the regular school day.

Fees may only be charged for programs offered before or after school, or during school vacations. Fees may also be charged for a student that is in grade six and attends a school that includes one or more 7-12 grades, if the school follows a secondary model of delivering education to the school's grade six students.

Utah law requires schools that charge fees, to ensure that a fee waiver or other provisions in lieu of a fee waiver is available to any student whose parents are unable to pay a fee.

Fee Waivers

A fee waiver is a full release from the requirement to pay a fee. If a student is eligible for fee waivers, **all fees must be waived**. If it is not specifically addressed in state law, a school must waive all fees, including any where a student's participation is optional. This means that those students who are eligible for a fee waiver can participate in any school class or activity free of charge.

A student is eligible for a waiver if:

- their family receives TANF funding (food stamps or state Family Employment Program);
- the student receives SSI (Supplemental Security Income);
- the student is designated McKinney-Vento;
- the student is in foster care;
- the student is in state custody; or
- the student is eligible based on family/household income (the levels match those of free lunch eligibility).

** A student may also be eligible for fee waivers if they do not meet any of these standards but are still unable to pay a fee. Please see the local school or district policy for more information.*

If a student wishes to apply for fee waivers, they will be asked to provide documentation of fee waiver eligibility as part of the application process.

To apply for a fee waiver, a student may submit the "Fee Waiver Application (Grades K-6)". A copy of the application is included with this notice and additional copies may be obtained from the school office, or the state school fees website listed at the end of this document. Once the documents have been submitted to the school, the fee requirement will be suspended until a final decision has been reached about the student's eligibility for fee waivers.

If the application is denied, the school will send a "Decision and Appeal Form". The Form will explain why the application was denied and how to appeal the decision. Remember to always keep a copy. If an appeal for a denial of fee waivers is submitted, all fees will not need to be paid until the appeal is decided.

If a student wishes to purchase school pictures, yearbooks, or similar items through the school, those costs are not fees and will not be waived. Also, if a student loses or damages school property, the costs of replacement or repair are not fees and need not be waived.
